REMINDER

LADOT Transit is holding Public Hearings to consider proposed changes to its Commuter Express, DASH and Cityride programs. These include more frequent bus service, extended hours and Sunday service on many existing DASH routes. Proposals also include major changes to the routes of DASH Crenshaw, Fairfax, Hollywood, Lincoln Heights/Chinatown, San Pedro, Van Nuys/Studio City, and Watts. Ten new DASH routes are being proposed throughout the City. Improvements in the Cityride program are also being proposed. Finally, an update of LADOT's Federally required Title VI program is being considered.
